

Hills & Hawkesbury

Equestrian News

A new, free full colour magazine is about to be launched in the Hills/Hawkesbury, aimed at horse lovers, owners and riders in this area which boasts the highest concentration of horses in the Southern hemisphere.

The magazine - Hills Hawkesbury Equine News - aims to cover every aspect of equine information from shows to events, polo and polocrosse, endurance and dressage days, trail riding calendars, Pony Club and natural horsemanship workshops and instruction seminars as well as human interest stories on everything horsey. But in order to do this, we need your input. Tell us about your upcoming event; keep us informed of results; let us publicise your workshops, seminars and courses; let us let the

equine community know what is going on in the area.

Perhaps you know of someone who has a special story to tell about their horse or who has overcome adversity to achieve remarkable results thanks to their love of horses? We'd like to hear about them, and so would our readers.

Contact us with your press release and we will be happy to publicise your event:
